ENDOMETRIOSIS

Aromatase inhibitors: The next wave
in treatment of endometriosis?
82-89, Nov, ra

ESTROGEN

Watching the HT pendulum swing.
88, Jun, so

ETHICS, PROFESSIONAL

Defining professionalism. 33-39,
Aug, og
Informed consent and the mentally
challenged patient. 63-72, Oct, ra

EXERCISE

...Can I ski while I'm pregnant?
34-36, Dec, bw

FETAL HEART

Nuchal translucency assessment:
What else can it tell us? 75-81,
Nov, ra

FETAL MONITORING

ECG analysis: the next generation
in electronic fetal monitoring?
6-10, Sep 15, ra

FIBROIDS

*Uterine smooth muscle tumors:
the benign, the bizarre, and the
deadly. 50-56, Aug, ra

FINANCIAL MANAGEMENT

Fundamentals of practice finance.
40-51, Feb, ra
Managing people. 56-63, Jul, ra
Managing Your Practice. 40, Aug,
mp
Managing Your Practice. 73, 74,
Dec, mp
Managing Your Practice. 50, 53,
Nov, mp
Managing Your Practice. 76, Oct,
mp
Thriving in a managed-care world.
69-77, Apr, ra

GONADOTROPIN-RELEASING HORMONE

Aromatase inhibitors: The next wave
in treatment of endometriosis?
82-89, Nov, ra

GONADOTROPINS

Practical medical approaches to the
patient with infertility. 94-99,
Sep, ra

GONORRHEA

*Point-of-care diagnosis of STIs
in women. 68-74, Nov, ra

GYNCOLOGIC ONCOLOGY

Cervical Ca guidelines, Part 1:
Making sense of the screening
intervals. 44-53, Apr, ra

*Chemoradiation: The new
paradigm for invasive cervical
cancer. 48-53, Mar, ra
Demystifying combined HPV-Pap
screening guidelines, Part 2.
49-61, Jun, ra

*Should teens be given DMPA?
54-58, Apr, ra

*Targeted bio weapons in the war
against gynecologic cancers.
48-54, Oct, ra

*Update on surgical incisions,
wound closures, and drains.
42-48, Jun, ra

*Uterine smooth muscle tumors:
the benign, the bizarre, and the
deadly. 50-56, Aug, ra
...what about my mole? 44-46,
Nov, bw

GYNCOLOGY

Adolescent patients and their
confidentiality: Staying within
legal bounds. 53-64, May, ra
Aromatase inhibitors: The next wave
in treatment of endometriosis?
82-89, Nov, ra
The art and science of managing
perimenopause. 34-41, Jun, ra
Chronic menorrhagia: The surgical
options. 41-50, May, ra
Combating ovarian cancer with
salpingo-oophorectomy. 86-92,
May, ra
4 steps to evaluation of
asymptomatic microscopic
hematuria. 72-76, Sep, ra
Hysterectomy sans oophorectomy:
The case for leaving a woman's
ovaries alone. 38-47, Jul, ra
Is clinical research overstated?
69-76, Mar, ra
Office-based hysteroscopy: getting
started now. 12-21, Sep 15, ra
*Point-of-care diagnosis of STIs in
women. 68-74, Nov, ra
The search for better reconstructive
materials for vaginal surgery.
30-39, Apr 15, ra

*Should teens be given DMPA?

54-58, Apr, ra
To a hammer, everything looks like
a nail. 96, Apr, so

To thine own self be true. 88, Jul, so

*Update on surgical incisions,
wound closures, and drains.
42-48, Jun, ra

The virtues of blunt suture needles.

38, 39, Feb, cc

...what about my headaches?

38-41, Sep, bw

...what about my mole? 44-46,
Nov, bw

HEMATURIA

4 steps to evaluation of
asymptomatic microscopic
hematuria. 72-76, Sep, ra

HEMORRHAGE

*Managing uterine atony and
hemorrhagic shock. 52-59, Feb, ra

HERPESVIRUS INFECTIONS

*Point-of-care diagnosis of STIs
in women. 68-74, Nov, ra

HORMONE THERAPY

The art and science of managing
perimenopause. 34-41, Jun, ra
Watching the HT pendulum swing.
88, Jun, so

HYPERTENSION

Managing an eclamptic seizure and
its aftermath. 54-66, Mar, ra

HYPOTENSION

Does low blood pressure increase
the risk of stillbirth? 55-58, Oct, ra

HYPOTHYROIDISM

*When should you screen for
and treat mild hypothyroidism?
46-53, Jan, ra

HYSTERECTOMY

Hysterectomy sans oophorectomy:
The case for leaving a woman's
ovaries alone. 38-47, Jul, ra
To a hammer, everything looks like
a nail. 96, Apr, so
*Update on surgical incisions,
wound closures, and drains.
42-48, Jun, ra
Was this hysterectomy indicated?
25-32, Jul, ls

HYSTEROSCOPY

Office-based hysteroscopy: getting
started now. 12-21, Sep 15, ra
An update on hysteroscopic tubal
sterilization. 43-48, Aug, ra

INCONTINENCE

Alternative approaches to overactive
bladder. 22-32, Sep 15, ra
*Managing future pregnancies
after a severe perineal laceration.
34-40, May, ra

INFERTILITY

*Explaining ovulation awareness-
based family planning methods.
48-54, Jul, ra
Leveling with patients about the
inherent risks of ART. 90-96,
Nov, ra
Practical medical approaches to the
patient with infertility. 94-99,
Sep, ra
Using aromatase inhibitors to
stimulate a woman's ovaries.
62-69, Jun, ra

INFORMED CONSENT

Informed consent and the mentally
challenged patient. 63-72, Oct, ra

INSOMNIA

...Can you give me a sleeping pill?
33, Oct, bw

INTERNET

The Internet as a classroom in
women's health. 120, Sep, so

LABOR

Is cervicometry the future for labor
assessment? 20-28, Apr 15, ra
Is mechanical suction really better
than manual for removing
meconium? 65-71, Sep, ra

LABOR, PREMATURE

Does elective abortion increase
the risk of preterm delivery?
88-92, Sep, co

LAPAROSCOPY

To a hammer, everything looks like
a nail. 96, Apr, so

LAWSUITS- see PROFESSIONAL LIABILITY

*Unmasking the many faces of
maternal and fetal
thrombocytopenia. 42-52, Sep, ra
Using aromatase inhibitors to
stimulate a woman's ovaries.
62-69, Jun, ra
What to tell patients about
banking cord blood stem cells.
42-52, Apr 15, ra
...when do I have to quit working?
33, 36, Jul, bw
When mom requests a cesarean.
38-50, Dec, ra

OBSTETRICS AND GYNECOLOGY, SPECIALTY

Can you see the silver lining
in ob/gyn? Dec, so
Defining professionalism. 33, Aug, og
Do you remember Mrs. Morris?
8-9, Jul, ed
Everything I need to know about
medical education I learned from
my teenagers. 11-17, Nov, ed
Have you joined the patient safety
movement? 11-16, Jan, ed
Homage to an obstetric legend:
Edward H. Hon, 8-15, Dec, ed

A post-Katrina reality check. 78-80,
Apr, og
Snatching the ob/gyn physician-
scientist from the verge of
extinction. 11-14, Feb, ed
Take heed the court stenographer.
108, May, so
When 'show and tell' is serious
medicine. 120, Nov, so

OOPHORECTOMY

Combating ovarian cancer with
salpingo-oophorectomy. 86-92,
May, ra
Hysterectomy sans oophorectomy:
